NORTH CAROLINA
DEPARTMENT OF HUMAN RESOURCES
INTER OFFICE MEMORANDUM

DATE 10/23/87

TO Mike Babian

FROM Don Setzer

RECEIVED
OCT 27 1987
SOLID & HAZARDOUS WASTE MANAGEMENT BRANCH

I talked with Randall Fletcher, Avery County Manager and Don McMillian, Alleghany County Manager today. Both managers will immediately write you a letter indicating the date their ground water monitoring will be completed next year (at the landfills). You may have the letters by the time you receive this note!!! Hope my telephone calls resolved the problem.
