Re: Stokes Garbage Service Dump (NONCD0000573)
Task Order – 2
Stokes County, North Carolina
Contractor's Contract No. N06010S
MM&A Project No.: NCUL102

Dear Mr. Lefler:

Marshall Miller & Associates, Inc. (MM&A) has completed an assessment of the above referenced Site and has found no specific evidence that dumping activities have occurred. This conclusion was based on a site visit; interviews with the Site owner, neighbors, and county personnel; review of aerial photographs and historical topographic maps; and deed research.

The Site, located at 1104 Baron Lane, King, NC 27021, is currently owned by Mr. Glenn Tuttle, former owner of Stokes Garbage Service. Mr. Tuttle has informed us that he formerly used his property as a staging area for his trucks only and that all garbage he hauled was delivered to the dump on Brown Road in King (Kings Dump, NONCD0000572). Nearby residents have supported this and report that there was never a known dump in the vicinity.

Though a Land Disposal Site Modification Report (**Appendix A**) was filed, it is likely that this was generated due to conditions at Mr. Tuttle's truck staging area and not in response to an actual dump.

Enclosed are the Site Location Map (**Figure 1**), the Land Disposal Site Modification Report (**Appendix A**), and Records of Communication (**Appendix B**).

Please let us know if you have any questions or comments.

Sincerely,

MARSHALL MILLER & ASSOCIATES, INC.
