The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

ADDITIONAL COMMENTS

1. The required signage is present along the path before you get to the house.
2. Access road is well maintained.
3. Fences mark the boundaries of the fields. All fences were up.
4. All discharges appear to be within the permitted boundaries of the fields.
5. No thick applications or spot dumps noticed.
6. The small grains had been planted and was up.
7. pH not checked. No application at time of inspection.
8. No objectionable odors noticed today.
9. No changes noticed with any of the setbacks.
10. Records not checked.
11. No issues noticed today with the site. Collected soil samples of the 3 fields. Scott gave me a check for the NCDA&CS lab to analyze the samples.

Please contact me if you have any questions or concerns regarding this inspection report.
