Re: Final Closure Certification for Operating Portion
Trex Properties, LLC
EPA ID # NCD 049 773 245

Dear Mr. Roberts:

The Hazardous Waste Section received the final certification from the independent professional engineer and the owner/operator on June 17, 2016 that closure activities for the operating portion of Trex Properties, LLC were completed according to the approved closure plan. Additionally, Mark Burnette of the Section conducted a closure inspection on June 23, 2016, and found the facility to be in compliance with the approved closure plan.

Your certification of final closure for the operating portion of the facility is accepted. All soil and groundwater contamination issues will be handled under the corrective action portion of the permit which will remain in effect. A copy of this letter will be forwarded to our Financial Unit to address financial responsibility requirements.

If you have any questions, please contact Kathy Lawson at (919) 707-8214 or kathleen.lawson@ncdenr.gov.

Sincerely,

Bud McCarty, Branch Head
Division of Waste Management, NC DEQ
