Subject: Permit Renewal Request
Closed International Paper Landfill 5—Permit No. 44-01
Canton, Haywood County, North Carolina

Dear Mr. Gaither:

Altamont Environmental, Inc. (Altamont) is pleased to present this request to renew the subject permit on behalf of the International Paper Company (IP). Closed IP Landfill 5 includes two areas; Area B and Area C. In accordance with Attachment 3, Part II, (13) of the subject permit (dated February 22, 2011), permitted post-closure use associated with Area B includes the operation of the International Paper Sport Complex, while permitted post-closure use associated with Area C includes the operation of the Livestock Market and Events Center. Additionally, hay production is a permitted post-closure use associated with Areas B and C.

IP requests that the subject permit be renewed with no change to the currently permitted post-closure uses.

The IP Project Manager for the subject site is as follows:

Mr. Tom Richardson
International Paper Company
6400 Poplar Avenue
Memphis, Tennessee 38197

Thank you for your time and consideration on this project. Please feel free to call or respond with any questions or comments related to this project.

Sincerely,

ALTAMONT ENVIRONMENTAL, INC.

Brian Gant
