OBSERVED VIOLATIONS
None

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to $15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may also be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

ADDITIONAL COMMENTS:

*** This site visit was to monitor the progress on the newly planted BAHIA GRASS. It appears that the BAHAI GRASS has not emerged, nut grass & crabgrass has taken over the field. Called Amanda Hatcher – Duplin Co. Extension Director to help on this. After talking with Amanda, she is writing an Amendent to the New Bahai Nutrient Management Plan to allow Mr. Dobson to Plant Millet as the 2015 summer crop.**

Please contact me if you have any questions or concerns regarding this inspection report.
