Subject: Permit to Operate – Modification
Abbey Green Recycling Center, Transfer, Recycle, Resource Recovery and Processing Facility, Permit No. 3424
Forsyth County, DIN 15599

Dear Mr. Baker:

On September 22, 2011 the Division of Waste Management (Division) received your Permit application entitled;

Abbey Green, Inc., Transfer, Recycle, Resource Recovery and Processing Facility, Permit 34-24, Request for Modification. Prepared by Abbey Green, Inc. September 2011. DIN 15211.

Enclosed you will find a copy of Permit No. 3424, dated November 9, 2011, DIN 15554. The Permit to Operate for Abbey Green Recycling Center, Permit No. 3424, Transfer, Recycle, Resource Recovery and Processing Facility, located in Forsyth County, has been modified as you requested, including;

1. The addition of two (2) hours to the operating time.
2. The addition of five (5) counties to the service area.
3. The facility will be allowed to leave a small amount of debris on the tipping floor over night, the equivalent volume of four (4) 30 cubic yard containers.
4. Once the tipping floor has been modified, in accordance with the approved plans, the facility will be allowed to operate in the rain. Again, the modifications to the floor must be completed prior to operating the rain.
5. Approval for receiving and demolishing mobile homes.
6. Changes to the language in the Operations Plan for dealing with inert debris.

Make note of the following items;

- Read your permit carefully and should you have any questions contact me immediately.
- The approved documents related to this permit may be found on the Section's website at http://portal.ncdenr.org/web/wm/sw, see the link labeled **Documents (Tracker)**.

- Copies of this permit, the approved plans, and all records, are required to be maintained by the permittee at the facility, and made available to the Section upon request during normal business hours.
- The there have been changes made to the permit conditions from the permit emailed on November 9, 2011.

Should you have any questions regarding this matter you may contact me at (828) 296-4704 or at larry.frost@ncdenr.gov.

Sincerely,

Larry Frost
Environmental Engineer
