RE: Transmittal of Revised Permit Documents for WCA Waste Corp. Acquisition of MRR Southern, LLC Holdings

Dear Mr. Barber,

On April 1, 2005, WCA of North Carolina, L.P. completed its acquisition of the following MRR Southern holding:

- MRR of High Point, LLC.

Also on April 1, 2005, WCA of Wake County, L.P. completed its acquisition of the following MRR Southern holdings:

- Material Reclamation, LLC,
- Material Recovery, LLC, and
- MRR Wake Transfer Station, LLC.

Enclosed with this letter are the revised permit documents for these facilities which have been incorporated by WCA under the following respective names:

- Material Reclamation, LLC,
- Material Recovery, LLC,
- WCA Wake Transfer Station, LLC, and
- WCA of High Point, LLC.

As requested by the Section, we have revised the Operations Plans for these facilities to include the new facility names, specific ownership, and owner contacts. Three copies of each document are provided and it is our understanding that two of the copies will be retained for your files and one certified/approved copy will be returned to the facility owner. Since the Operations Plans for the two landfills were included in the facility Construction Plan Applications (CPAs) and referenced documents included in those CPAs, we have revised these documents in total.
