Dear Herb:

Re: 609 Woodland Dr.

April,27,1992, Berico Fuels removed a 550 gallon home heating oil tank at 609 Woodland Dr. I secured a soil specimen at approximately 10 ft. deep. The soil sample was taken to Guilford Laboratories to be tested. I have enclosed a copy of the chain of custody form, and the test results.

If I can be of any futher assistance or if you have any questions please don't hesitate to call.

Best Regards:
Ron Crum
