REPORT: This facility was a Cut + Sew / Knitting / + Lamination plant. It has been ~~closed~~ closed since Aug 1993 and the plant is in the process of closing down its operations and cleaning out the facility. There are presently 4 barrels of various types of oil and several cans of paint that will be shipped to the Mississippi plant. There are also approx. 5 or 6 30 gallon plastic containers of boiler treatment that the facility plans to leave on site for the next ~~occupants~~ occupants of the building. I will contact Ms. Taylor once I find out about these containers.
