Dear Ms. Matthews,
On June 27, 2013, in accordance with the Permit to Construct for the Halifax County Transfer Station, Ms. Mary Whaley and Mr. Ben Barnes conducted a site inspection of the Transfer Station. Ms. Whaley has notified me that the pre-operative conditions of the Permit have been met, with the exception of a few minor issues that Mr. Larry Garriss (Operator) is to correct before Monday July 1, 2013. This notification hereby serves as the Facility's authorization to begin operations on Monday July 1, 2013.

If you should have any questions regarding this matter please contact me or Ms. Whaley.
Thank you for your cooperation and hard work,
Larry
