Dear Mr. Dover:

This letter is a followup to our telephone conversation on August 4 regarding a report your office requires. Champion requests, and has been granted, an extension of the August 1 deadline for reporting the weight of materials deposited in our disposal site under Sanitary Landfill Permit No. 42-03. We have been tracking this data by spreadsheet since last October. Activities during June and July put us behind in recording this data. We will have the report in the mail to you by Monday, August 17.

Thank you for allowing us this extra time.

Sincerely,

Myrl A. Nisely
