Re: Town of Calypso Landfill; O/F#1348.

Sir:

You will find enclosed a photocopy certified as true, of the Town of Calypso landfill contract. This contract and the designated lands were agreed to and "laid off" in August of 1982. Unfortunately, Mr. Doug Pigford kept the original draft of the contract in his personal possession. He just did not return it or record it.

If you had inquired of me about this matter I am confident all questions of the Department could have been resolved. If you have any further inquiries please be kind enough to let me hear from you or your office.

Yours very truly,

DOUGLAS P. CONNOR

Dear Mr. Langley:

This letter is to confirm our conversation of March 23, 1983 regarding the use of the old Calypso Town Dump site on SR 1311 as a demolition landfill site.

According to our conversation, your engineer has completed all of the required information to obtain a permit except for acquiring a copy of the deed. As stated to you at that time, the use of this site must cease until all information is submitted and a permit to operate has been granted by the Division of Health Services. Continuing to operate in this site without a permit will be viewed as violation of the N.C. "Solid Waste Management Rules" and an administrative penalty will be assessed pursuant to NCGS 130-166.21E.
