Subject: Request for Extension
Assessment of Corrective Measures Pursuant to 15A NCAC 13B.1635
Jackson County Landfill, Permit #50-02

Dear Ms. Drummond:

On behalf of Jackson County, we acknowledge receipt of your letter dated March 5, 2010, subject *Assessment of Corrective Measures Pursuant to 15A NCAC 13B.1635.* This letter describes several activities pertaining to corrective action at the landfill, including developing an Assessment of Corrective Measures (ACM) Report, and developing and implementing a Corrective Action Plan (CAP). Your letter requests submittal of the ACM Report to the SWS within 90 days (which would be early June, 2010).

As you may be aware, Jackson County's fiscal year extends from July 1 through June 30. Jackson County did not budget for activities pertaining to corrective measures at the landfill for FY2009-2010. Therefore, they will not be able to pursue developing the ACM Report until July 1, 2010. Based on these conditions, we request an extension of the ACM Report submittal to August 31, 2010. In addition, Jackson County plans to implement a Corrective Action Plan (CAP), if warranted, during FY2011-2012.

Thank you for your consideration of this request, and we appreciate your support on this project. Please feel free to call me at 828-771-0442 with any questions or if you need additional information.

Sincerely,

ALTAMONT ENVIRONMENTAL, INC.
