Coble's C&D LF Permit No. 10-05
DIN: 10616 [XR DIN10615]

Donald,

I concur with the revised closure/post-closure cost estimates [DIN10615] for the above referenced facility reducing the largest area open at any time from 25 to 16 acres.

Please let me know should you have any additional questions or comments regarding the above information.

Thanks,

Geof

Subject: Updated Financial Assurance for Coble's

Geof,

Attached is the updated FA estimates for the Coble's. They reflect our opinion of cost for the closure of 16 acres as opposed to the permitted 25 as well as updated costs for post closure care.

Please let me know if you have any questions.

Thanks,
