Subject: Caswell County Landfill - Corrected NCDENR Formatted Lab Data Table

Jackie,
Our server went down yesterday and I was unable to send the corrected spreadsheet to you. We're back up and running and the corrected NCDENR Formatted Lab Data Spreadsheet in Excel format is attached. I looked at the Field Data Table and it appears to be correct per your format requirements, so I did not resend it. Let me know if this is correct or if I need to make any additional changes, and as always, thanks.
