INSTRUCTIONS TO PERMITEE **This permit does NOT relieve the permittee of:**

1. His/Her responsibility for complying with all air pollution laws, regulations and ordinances (such as the North Carolina "Control and Prohibition of Open Burning" Regulations as codified in 15 NCAC 2D .1900 which prohibits the open burning of some materials).
2. His/Her responsibility for complying with all other State and Federal forest fire laws (such as notifying adjoining landowners, keeping a competent watch over the fire, etc.)
3. His/Her responsibility for any damage the fire may cause to other parties or their property. Good judgment should be used when burning even though a permit has been obtained.

Note: The proper time to burn is: (1) following a rain when the wind is calm; (2) after grasses are green and hardwood leaves are mature.

Attention: Many counties have additional burning ordinances. Contact your local county authorities before burning.

As permittee, I certify: That the proposed fire is within 500' of State protected woodland.

Pursuant to G.S. 113-60.29, convictions of violating the Open Fire Laws of this permit is a Class 3 misdemeanor. These penalties may be imposed in addition to any civil or criminal penalties sanctioned under G.S. 143-215.114 of Article 21B.

I understand that should this permit be cancelled in accordance with G.S. 113-60.25 or G.S. 113-60.27 or if written notice (order) is given by any forest ranger pursuant to G.S. 113-60.28, I must take reasonable steps to extinguish or control the fire or reimburse the Department for expenses incurred therefore on my behalf.

SEE BACK OF PERMIT: I have read and understand the air pollution regulations on the back of this permit.
