Re: Permit Renewal

Dare County Public Works would like to request a renewal of our Solid Waste Transfer Station permit to operate. This permit # 028-4T located at 138 South California Lane in Manteo, NC. The original permit was issued in 1996 and the operation has been on going ever since. The operation plan remains the same as the original and the since is inspected on a regular basis as required by Chuck Boyette our Solid Waste Specialist.

Thank you for your assistance in this request if you need to contact me for further information please call me at (252) 475-8728.

Thanks again.
