NOTICE OF REMEDIAL ACTION PLAN

R.D. Pate Estate
Pikeville, Wayne County, North Carolina
Site ID No. NONCD0002795

In accordance with N.C.G.S. 130A-310.9(b) - 310.9(c), EnviroAssessments, PLLC is soliciting public comment on a *Proposed Remedial Action Plan* for cleanup of contaminated media at the R.D. Pate Estate (Site) in Pikeville, Wayne County, North Carolina. EnviroAssessments, PLLC is a State-approved Registered Environmental Consultant (REC) for the Site. The *Proposed Remedial Action Plan* has been prepared in accordance with the REC program rules (15A NCAC 13C .0300), and contains a description of the proposed remedial alternative that representatives of the REC intend to implement to address environmental contamination (e.g., contaminated soil, groundwater, surface water, etc.) at the Site. Other remedial alternatives that were considered are also discussed in the *Proposed Remedial Action Plan.* The Division of Waste Management (DWM) is authorized to implement the Inactive Hazardous Site Response Act, and the REC Program is an approved, privatized program under that authority. The remediator has entered into an Administrative Agreement with the DWM to implement a remedial action under the REC Program.

To review the *Proposed Remedial Action Plan,* contact:

Mr. Scott Ross
