Re: Permit to Operate: Phase I Cell B
Material Recovery LLC C&D Landfill
Wake County, North Carolina
Permit No. 92-31
Doc ID No. RCO231

Dear Mr. Menger:

The Solid Waste Section has determined the pre-operative conditions have been met for Solid Waste Permit No. 92-31, Part 1: Permit to Construct for Phase I Cell B and associated facility infrastructure. Solid Waste Permit No. 92-31, Part 2: Permit to Operate for Phase I Cell B for the above referenced Construction and Demolition (C&D) landfill is enclosed.

Please be advised that operation of Cell C shall require written approval by the Section. This permit is for the operation of Phase I Cell B, the second subcell of the five year phase encompassing 19.0 acres. The referenced permit to operate is issued in accordance with N.C.G.S. 13B .0201(b)(2). In your review of the permit conditions, please note that the issuance of the permit does not exempt an applicant from any local ordinances that may regulate a facility and the responsibility of compliance with any applicable ordinance lies with the permit holder.

Please review the conditions of the permit thoroughly. Mr. Dennis Shackelford is the Solid Waste Section Waste Management Specialist for your area. Mr. Shackelford can be reached in our Fayetteville Regional Office at (910) 486-1541 extension 752. If you have questions about your permit, please contact me at (919) 508-8510.

Sincerely,

Toni Wyche, EI
Solid Waste Section
