RE: Construction Plan Application - Domtar Plymouth - Permit # 94-01

Dear Ms. Werner:

As we discussed during our recent phone conversation, I am writing to ask your agency to please delay the review of the Domtar Plymouth Mill landfill construction application. This request is due to our current business climate and the permanent closing of a portion of our manufacturing capacity. We hope to inform you in the near future to proceed with the review.

Thank you for your cooperation concerning this request and please contact me if there are further questions. You can reach me at (252)793-8494 or bill.morris@domtar.com.

Sincerely,

Bill Morris
Environmental Engineer
Domtar Plymouth
