Subject: Permit to Operate (PTO) – Completeness Determination and Technical Review
Boggs Paving Asphalt Shingle Recycling Facility, Matthews
Mecklenburg County, DIN 12625

Dear Mr. Hill:

On November 22, 2010 the Division of Waste Management (Division) received your application for a new Permit to Operate, Boggs Paving Asphalt Shingle Recycling Facility, Matthews, Mecklenburg County, entitled;

Boggs Paving, Inc. Green, Asphalt Shingle Processing Application. Prepared by Boggs Paving. November 2010. DIN 12600.

The Division has performed a review of you application for a determination of completeness and determined the application is not complete in accordance North Carolina General Statute NCGS 130A-295.8(e). A determination of completeness means the application contains the required components in accordance with North Carolina Administrative Code 15A NCAC 13B .0500. In addition to the determination of completeness the Division has completed the technical review of the application. Please note that the application process for this facility is on hold until you provide the following items;

1. Provide a letter from the appropriate City or County official confirming that the siting of the facility will be in conformance with all zoning and local laws, regulations, and ordinances, or that no such zoning, laws, regulations, or ordinances are applicable.
2. In the proposed Operations Plan under Disposal Facilities you have listed the Union County Construction and Demolition Debris Landfill, Permit # 90-01 and the Union County Transfer Station Facility, Permit # 90-05; these facilities may not receive waste from any county other than Union. Remove both of these facilities from your list and provide me a revised Plan.

Should you have any questions regarding this matter you may contact me at (828) 296-4704 or at Larry.Frost@ncdenr.gov.

Sincerely,

Larry Frost
Environmental Engineer
