Subject: Permit to Operate – Original Issuance
MedWaste Solutions LLC, Medical Waste Treatment Facility, Permit No. 3615
Gaston County, DIN 15758

Dear Mr. Moore:

Enclosed you will find a copy of Permit No. 3615, dated December 12, 2011, DIN 15688. The Permit to Operate is the original issuance for the MedWaste Solutions LLC, Medical Waste Treatment Facility, located in Gaston County. The following are important items that remain to be accomplished;

- Read your permit carefully, it is important that you understand your permit. If you have any questions regarding the process or the permit contact me immediately.
- The approved documents related to this permit are attached.
- Enclosed is a certified original of your permit. It is important that the certified original permit be recorded by the Register of Deeds in Gaston County. It should be indexed in the grantor index under the name of the land owner. The certified original should be affixed with the Register's seal, date, book number and page number of recording. The certified original of the permit with the Register's information affixed should then be returned to me at the address at the bottom of this page. The purpose of this recordation to notify future buyers that a solid waste management facility existed on the property, in accordance with North Carolina General Statutes.
- Copies of this permit, the approved plans, and all records, are required to be maintained by the permittee at the facility, and made available to the Section upon request during normal business hours.
- Send me a copy of the facility's effectiveness testing results for the Division's records, as soon as they are available.

- Contact Mr. Bill Wagner, Senior Environmental Specialist, at (828) 296-4705 or bill.wagner@ncdenr.gov regarding the first receipt of waste and approximate date the waste will be processed.
- Contact Mr. Wagner regarding the emergency contact list you have provided, some contact information needs updating.

Should you have any questions regarding this matter you may contact me at (828) 296-4704 or at larry.frost@ncdenr.gov.

Sincerely,

Larry Frost
Environmental Engineer
