Certification by Operator (if different from Owner):

I certify that the information provided by me in this application is true, accurate, and complete to the best of my knowledge. The application and operational requirements of this transfer station facility will comply with the requirements of Section .0400 Transfer Facilities of 15A NCAC 13B North Carolina Solid Waste Management Rules. The facility and operations of this transfer station will also comply with all applicable Federal, State, and Local laws, rules, regulations, and ordinances. I have informed the land owner of my plans to operate a transfer station facility for the management of solid waste on the land and the land owner has specifically granted permission for the operation of the transfer station facility. I understand that both the operator and land owner are jointly and severally liable for improper operations and proper closure of the transfer station facility as provided for by North Carolina General Statute 130A-309.27.
I further understand that North Carolina General Statute 130A-22 provides for administrative penalties of up to five thousand dollars ($5,000.00) per day per each violation of the Solid Waste Management Rules. I further understand that the Solid Waste Management Rules may be revised or amended in the future and that the facility siting and operations of this transfer station facility will be required to comply with all such revisions or amendments.

Certification by Land Owner: [All persons or organizations with an ownership interest in the land shall execute the certification.]

I hereby certify that I have read and understand the application submitted by McGill Associates, P.A. on behalf of Graham County for a permit to operate a solid waste management facility, a solid Waste transfer station on land owned by the undersigned, Mr. Herve Cody, located at _____ Snowbird Road (SR 1127), Robbinsville, North Carolina 28___ in Graham County. I specifically grant permission for the operation of the proposed transfer station facility as described and indicated in the permit application. I acknowledge that under the law, the land owner and facility operator are responsible for the proper operation and closure of the facility.

I understand that North Carolina General Statute 130A-22 provides for administrative penalties of up to five thousand dollars ($5,000.00) per day per each violation of the Solid Waste Management Rules. I further understand that the Solid Waste Management Rules may be revised or amended in the future and that the facility's siting and operation will be required to comply with all such revisions or amendments. I further understand that ownership of land that a transfer station facility is on, may subject me to cleanup costs in the event that the operator defaults, as well as to claims from persons who may be harmed in their persons or property by using the transfer station facility..
