COUNTY ATTORNEY

Mr. Michael L. Babuin, P.G.  
N.C. Dept. of Human Resources  
Division of Health Services  
PO Box 2091  
Raleigh, NC 27602-2091

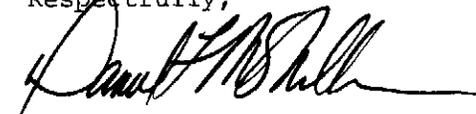

Dear Mr. Babuin:

Please accept my apology for not responding to your request earlier. I have spoken with Mr. Setzer previously and assured him I would see that Alleghany County would comply with necessary requirements for "Water Quality Monitoring" as soon as an acceptable engineering firm can be secured. I plan to speak with other counties in our area in regards to the possibility of combining the use of an engineering firm on multi-county testing to obtain a more competitive price.

Alleghany County will comply with the N.C. Department of Human Resources, Division of Health Services requirements for routine ground-water monitoring and, or surface-water monitoring within this fiscal year 1987-88.

Please advise if additional information is needed from this office.

Respectfully,

Daniel F. McMillan  
County Manager
