Subject: Henderson County Transfer Facility
Permit # **45-04T**
Hendersonville, Henderson County, North Carolina

Dear Mr. Thompson:

Enclosed is a Permit to Operate for the referenced solid waste Transfer Facility and the accompanying conditions for the above referenced facility.

Please note Operational Condition #5, which identifies additional requirements for this facility, in conjunction with the Operational Requirements for Transfer Stations, Section .0402 of the Solid Waste Management Rules. Also, note Condition #6 which makes this permit provisional until "As-built" drawings are submitted as specified in the Permit to Construct dated July 29, 1997. Please review the conditions of the permit carefully and if you have any questions or comments please contact me at (336) 771-4608 ext.204 or Jim Patterson, Waste Management Specialist at (704) 251-6208.

Sincerely,

Timothy A. Jewett
Western Area Engineer
Solid Waste Section

ISSUE DATE: MAY 1, 1998

SOLID WASTE PERMIT

COUNTY OF HENDERSON

is hereby issued a Permit to OPERATE a

TRANSFER FACILITY

located at the Henderson County Landfill, 802 Stoney Mountain Road, Hendersonville, Henderson County, North Carolina in accordance with Article 9, Chapter 130A of the General Statutes of North Carolina and all rules promulgated thereunder and subject to the conditions set forth in this permit. The facility is located and described by the construction plan submitted and the permit application narrative.

James C. Coffey

James C. Coffey, Supervisor
Permitting Branch
Solid Waste Section

PERMIT NUMBER: **45-04T**
DATE ISSUED: **MAY 1, 1998**
FACILITY NAME: **HENDERSON COUNTY TRANSFER STATION**
HENDERSONVILLE, NORTH CAROLINA

CONDITIONS OF PERMIT

OPERATION:

1. This facility is permitted to receive solid waste as defined in 15A NCAC 13B .0101 (36), except that hazardous and liquid wastes are prohibited from acceptance at this facility.

2. This facility may receive solid waste that is generated within the service area described in Appendix I of this document and shall dispose of said solid waste at the Waste Management - Palmetto Landfill located in Spartanburg, S.C. or the BFI CMS Landfill (Permit #13-04) located in Concord, Cabarrus County, North Carolina.

3. This permit is valid for five (5) years and will be reviewed on or before 1 May 2003, as per 15A NCAC 13B .0201(e), or sooner according to the issuance date of this permit. Modifications shall be in accordance with the Rules in effect at the time of review.

4. This permit is for operation of the transfer facility in accordance with the approved plans and the approved Operational Plan prepared by Camp Dresser & Mckee (CDM) dated May 29, 1997. Any revisions or modifications to these plans shall be approved by the North Carolina Solid Waste Section.

5. Operation of the facility shall occur in accordance with 15A NCAC 13B .0402, "Operational Requirements for Transfer Facilities," the approved operations plan prepared by CDM and these additional requirements:

   a. The owner or operator of a municipal solid waste management facility shall not knowingly dispose of any type or form of municipal solid waste that is generated within the boundaries of a unit of local government that by ordinance:

      1. Prohibits generators or collectors of municipal solid waste from disposing of that type or form of municipal solid waste.

      2. Requires generators or collectors of municipal solid waste to recycle that type or form municipal solid waste.

PERMIT NUMBER: **45-04T**
DATE ISSUED: **MAY 1, 1998**
FACILITY NAME: **HENDERSON COUNTY TRANSFER STATION**
HENDERSONVILLE, NORTH CAROLINA

CONDITIONS OF PERMIT

OPERATIONS:

b. On or before 1 August (or sooner as requested by the Division), the owner or operator shall report to the NC Solid Waste Section, for the previous year beginning 1 July and ending 30 June, the amount by weight of the solid waste that was received at the facility and disposed of in a landfill, incinerated, or converted to fuel. To the maximum extent practicable, such reports shall indicate by weight the COUNTY of origin of all solid waste. The owner or operator shall transmit a copy of the report to the county in which the facility is located and to each county in which waste originated.

c. Waste shall not be stored on the "tipping floor" after operating hours. Waste can be stored in transfer trailers, at the facility with covers in place, after operating hours, but no longer than 48 hours.

d. The "tipping floor" and "transfer trailer loading area" shall be maintained in a sanitary, clean condition after operating hours in accordance with the approved Operational Plan prepared by CDM, consistent with Section Three, page 3-2, Tipping Floor Operations.

6. Three sets of "As-built" or Record drawings shall be submitted by June 1, 1998 (within 30 days of the issuance of this permit) for the permit to remain valid and in effect.

APPENDIX 1

APPROVED SERVICE AREA

COUNTY OF HENDERSON

HENDERSONVILLE TRANSFER STATION

The following counties are included in the service area for the referenced facility:

1. HENDERSON

ATTACHMENTS

1. Approved Site and Construction plans, dated May 1997.

2. Approved transfer facility permit application and operations plan, dated 29 May 1997.

3. Letter dated 14 May 1997 from Donna M. Fain and Zoning Permit dated 2 June 1997 from Donna F. Caraker addressing zoning of the proposed facility.

4. Letter dated 26 June 1996, received 26 June 1997 from the Division of Land Resources, approving the Erosion and Sedimentation Control Plan.
