RE: Cherokee County Landfill, Permit #20-01

Dear Mr. Jordan:

In accordance with the Solid Waste Management Rules and consistent with current policies and legislative goals to ensure adequate capacity of environmentally-protective solid waste disposal facilities and to encourage regional approaches to solid waste management, the Solid Waste Section hereby approves an amended service area for the referenced facility. The approved service area is defined by the resolution for local government approval adopted by the Cherokee County Board of Commissioners on June 21, 1993 (Attachment).

This approval is contingent upon strict adherence to the following implementation schedule detailing transition from the existing unlined landfill unit to operation of a lined landfill unit:

<u>REQUIRED ACTIVITY</u>	<u>DATE</u>
Submittal of Permit Application for Lined MSWLF Unit	April 9, 1994
Commence Operation of Lined MSWLF Unit and Closure of Existing Unit	October 9, 1996

A contingency plan for disposal of waste into an alternative lined landfill shall be implemented if this schedule is not met. The proposed lined MSWLF unit shall be subject to all the permitting requirements for a new MSWLF unit in accordance with the recently adopted MSW Rules.

In addition, the referenced landfill shall meet the following conditions:

- (1) Disposal shall be in accordance with the approved construction plans
- (2) The groundwater monitoring system shall be upgraded to include replacement of one well and installation of two new wells at locations and depths approved by the Section, within 90 days of this approval.
- (3) Solid waste which is currently being disposed in a lined landfill or an incinerator shall not be accepted for disposal.

RESOLUTION TO ESTABLISH A REGIONAL LANDFILL

WHEREAS, the State of North Carolina requires local governments to provide adequate solid waste disposal facilities for its citizens;

WHEREAS, the counties of Clay, Graham, and Swain desire to close their solid waste disposal facilities due to the high cost of maintaining these facilities under the new subtitle "D" rules taking effect October 9, 1993;

WHEREAS, Cherokee County has sufficient facilities available at the Cherokee County Landfill to accept and dispose of solid waste from the three aforementioned counties;

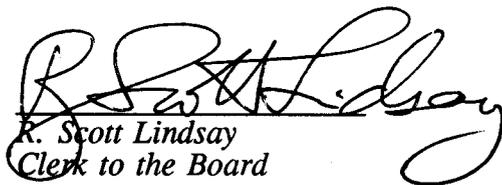

WHEREAS, the State of North Carolina requires that the Cherokee County Landfill permit be revised or re-issued to allow disposal of solid waste from the Counties of Clay, Graham, and Swain;

NOW BE IT RESOLVED by the Board of Commissioners of Cherokee County, North Carolina, that the Cherokee County Landfill will henceforth be operated as a Regional Solid Waste Disposal facility.

BE IT FURTHER RESOLVED that out-of-county waste accepted for disposal at the Cherokee County Landfill be limited to that generated by the Counties of Clay, Graham, and Swain.

Signed this the 21st day of June, 1993.

Bob Gibson, Chairman

R. Scott Lindsay
Clerk to the Board
