Subject: Landfill Leachate Line Inspection Frequency Reduction Request  
Permit 2402-INDUS-1972

Dear Mr. Little:

I am writing you to request a reduction in leachate collection system remote camera cleaning and inspection frequency for Cell 1 to once every 3 years, as is allowed by Permit 2402-INDUS-1972. We have cleaned and inspected the lines in Cell 1 annually for three consecutive years, and have found the system to be substantially functioning and problem-free. We will continue to clean and inspect Cell 2 for two more consecutive years as is required by the above-mentioned permit.

Please confirm that this request has been either granted or denied. If you have questions or need additional information, please call me at (910) 362-4883.

Sincerely,

Edward J. Kreul  
EHS&S Manager
