Subject: Re: AAA Hauling of NC Transfer Station Permit

Sir,

Please see Mr. Hardin's response to the questions listed in the letter:

1. We are satisfied with our current site plan.
2. The pole barn is still under consideration and at this time we wish not to include it.
3. We have our employees trained and on site at all times during operation of the Transfer Station.

Mr. Hardin,

Please find the Technical Review Letter attached (document ID number 24253) regarding the five-year Permit renewal at the AAA Hauling of NC Inc. Transfer Station, Permit number 2613-TRANSFER-2010. As stated in the letter, please let me know whether or not you intend to make any changes to the facility plans based on the listed recommendations. Let me know if you have a problem with the file or any questions on the contents of the letter.

Best regards,
Allen Gaither
