RE: Gypsum Storage Area

Donna,

Enclosed is the Copy of the letter that I emailed you from the engineer for the Gypsum Storage Area. If you need anything else please let us know.

Thanks

A handwritten signature in black ink, appearing to read "Kim Newbern". The signature is fluid and cursive.

RE: GYPSUM STORAGE
SOUNDSIDE RECYCLING & MATERIALS, INC.
JARVISBURG, NC

Dear Mr. Newbern;

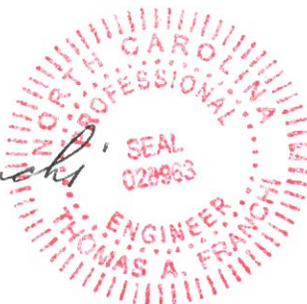

I inspected the subject Gypsum Storage Area today.

The design of the Gypsum Storage Area is included on the Richardson Smith Gardner & Associates drawing: ' Soundside Recycling & Materials, Inc. C&D Waster Transfer & Recycling Center Sheet No. 2, Drawing No. D1' dated October, 2008. The drawing includes a plan and Section A-A.

The Gypsum Storage Area has been constructed in line with the design drawing.

Please advise if there are questions or if further assistance is required.

Sincerely,

Thomas A. Franchi
