SUBJECT: ENGINEER'S CERTIFICATION - DAVIE COUNTY C&D LANDFILL
DSAtlantic Project No.: 93070.07

Dear Ms McHargue:

We are writing to inform you an inspection of the Davie County C&D Landfill was performed by DSAtlantic personnel. We have concluded the facility was built in general conformance with the DSWM approved construction documents, with the exception of the additional groundwater monitoring wells Mr. Bobby Lutfy requested. Mr. David Plott, Davie County Public Works Director, has informed us bids for the installation of these wells are currently being solicited and will be installed in the near future.

Please accept this letter of certification for the construction of the C&D landfill as required by the Solid Waste Management regulations. Should you have any questions regarding the project please do not hesitate to contact us.

Sincerely,
DSAtlantic Corporation
