Re: Rescindment of Permit
City of Durham Household Hazardous Waste (HHW) Facility
Permit 3210-HHW-, Durham County, DIN 21658

Dear Mr. Woody:

The City of Durham recently constructed and began use of a new HHW Facility and requested that the permit for the former HHW facility, Permit 3210-HHW-, be rescinded.

The facility was inspected by Mr. John Patrone on August 26, 2014. He noted that records indicated the facility ceased accepting waste on August 9, 2014, and that ECOFLO removed all remaining HHW from the facility on August 13, 2014. The facility did not appear to contain any HHW at the time of the inspection.

Therefore, the Solid Waste Section hereby rescinds Permit No 3210-HHW- as requested.

If you have any questions regarding this issue, please contact Pat Backus at (919) 707-8257, or by email at pat.backus@ncdenr.gov.
