Re: Permit to Operate
City of Rocky Mount LCID Landfill
Edgecombe County, Permit No. 33G-LCID, Document ID No. 21784

Dear Mr. Boone:

Please find the enclosed Permit to Construct and Permit to Operate for the City of Rocky Mount LCID Landfill, Permit No.33G. The permit approves the construction of Phase VI and the continued operation of Phase VII.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Ben Barnes. He can be reached at (252) 236-4453 or (919) 621-3680.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
