Dear Ms. Smith:

Enclosed you will find a copy of Permit No. 3609, dated January 16, 2015, DIN 22791. This permit action approves the continued operation of the household hazardous waste facility. Make note of the following items;

1. The Division has no record of permit recordation for this facility. Enclosed is a certified original of your permit. It is important that the certified original permit be recorded by the Register of Deeds in Gaston County. It should be indexed in the grantor index under the name of the land owner. The certified original should be affixed with the Register's seal, date, book number and page number of recording. A certified original of the permit with the Register's information affixed should then be returned to me at the address at the bottom of this page. The purpose of this recordation to notify future buyers that a solid waste management facility existed on the property, in accordance with North Carolina General Statutes.
2. Read your permit carefully and should you have any questions contact me immediately.
3. The approved documents related to this permit may be found on the Section's website at <http://portal.ncdenr.org/web/wm/sw>, see the link labeled Documents (Tracker).
