Subject: Allen Steam Station RAB Landfill (Permit No. 3612-INDUS)
Request for Solid Waste Permit

Dear Dr. van der Vaart:

Duke Energy Carolinas, LLC (Duke Energy) has a Solid Waste Permit to Operate application pending with NCDENR Division of Solid Waste for the Allen Steam Station Coal Combustion Residual Landfill. With this letter, Duke Energy is requesting issuance or status of the following:

Allen RAB Landfill (Permit No. 3612-INDUS)

- Permit to Operate renewal submitted to NCDENR on June 9, 2014
- Current Solid Waste Permit to Operate expiration date is December 9, 2014

This landfill operational permit request is an administrative renewal based on the 5 year Solid Waste permit cycle. No construction or additional expansion has occurred. The application for renewal was submitted approximately 6 months ago. The current Permit to Operate expires tomorrow.

If you require any additional information, please contact Ms. Kim Hutchinson of my staff at (336) 215-1546.

Sincerely,

Harry Sideris, SVP
Environmental Health & Safety
