Re: Permit to Operate
City of Greensboro Compost Facility
Guilford County, Permit No. 4103-COMPOST-2003, Document ID No. 23302

Dear Ms. Hay:

Please find the enclosed Permit to Operate for the City of Greensboro Compost Facility, Permit No.41-03, which approves continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Hugh Jernigan. He can be reached at (336) 776-9672 or (919) 621-3687.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
