Re: Permit to Operate
High Point C&D Debris Landfill
Guilford County, Permit No. 4116-CDLF-2012, Document ID No. 21409

Dear Mr. Marcum:

Please find the enclosed Permit to Operate for the High Point C&D Debris Landfill, Permit No.41-16. The permit adds the operation of Phase 2B-1 to the permit based on acceptance of the Construction Quality Assurance (CQA) report (DIN 21326). The approved CQA report is also included.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Hugh Jernigan. He can be reached at (336) 771-5093 or (919) 621-3687.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
