**RE: Permit To Construct Extension Request
Burnt Poplar Transfer Station - Permit No. 41-22T
Guilford County, North Carolina**

Dear Ms. Backus:

On behalf of WI Burnt Poplar Transfer, LLC. and Waste Industries USA, Inc., Smith Gardner, Inc. (S+G) is requesting an extension to Permit to Construct (DIN: 20774) for the above referenced site. The current permit was issued April 21, 2014 and is set to expire on October 21, 2015. S+G is requesting a **one (1) year** extension of the current permit, extending the expiration date to October 21, 2016.

S+G is requesting an extension due to current and planned submittals to the City of Greensboro Technical Review Committee and Development Services for additional approvals and permits. Construction is anticipated to begin in late 2015.

Should you have any questions please contact us at (919) 828-0577 or by email below.

Sincerely,
SMITH GARDNER, INC.
