Ms. Amanda Bader, P.E.
County Engineer
Harnett County General Services
P. O. Box 940
Lillington, NC 27546

Subject: Issuance of Permit to Operate for Anderson Creek C&DLF – Phases I & II
Harnett County, North Carolina
Permit Nos. 43-03, Document ID No. (Doc ID) 22286

Dear Ms. Bader:

The Division of Waste Management (DWM), Solid Waste Section (SWS) has completed reviews of the certified Construction Quality Assurance Report (CQA Report) and the revised final cover grading plan for the above-referenced landfill expansion. The referenced documents are:

- *Construction Quality Assurance Report for Harnett County Anderson Creek C&DLF – Phases I & II Extension, Spring Lake, North Carolina*. Dated October 2014 and revised through November 12, 2014. Prepared by Smith Gardner, Inc. (Doc ID 22287).
- *Harnett County Anderson Creek C&DLF (Permit No. 43-03) Phases I & II Extension – Revised Final Cover Grading Plan*. Dated November 04, 2014. Prepared by Smith Gardner, Inc. (Doc ID 22245).

Based on the reviews, the SWS determines that Harnett County Anderson Creek C&DLF has met the pre-operational conditions stated in the Permit to Construct dated March 14, 2014 (DIN 20702) and hereby, issues the Permit to Operate – Phases I & II to Harnett County Anderson Creek C&DLF (DIN 22285). The electronic format (pdf) of the approved documents and permit can also be directly downloaded from DWM web site at <https://edm.nc.gov/DENR-Portal/>. Type in the Doc ID Number (only numeric number) in the boxed area next to the “**Description**” in the “**Property Criteria**” area. Then click “**Search**” tab. The document in pdf format will appear on the lower section of the screen called “**Content**” area.

Please place the approved documents including the permit in the facility operating record. Mr. Dennis Shackelford is the SWS Senior Environmental Specialist for your area and can be reached at (910) 433-3349. If you have questions about the permit or require further clarification, please contact Dennis or myself at (919) 707-8251 or ming.chao@ncdenr.gov.

Sincerely,

Ming-Tai Chao, P.E.
Environmental Engineer
