**Solid Waste Section**

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

**ADDITIONAL COMMENTS**

1. I called Tony Hammond, Ahoskie Town Manager, about the NOV that the site would be receiving. He stated that the site was being worked on. This inspection was done to see what progress has been made.
2. The old broken down yard waste was being excavated from the site. It was being placed in the south west corner of the site approximately 25 feet from the yard waste.
3. There was still quite a bit of unacceptable waste including plastics and cans, mixed in with the yard waste.
4. I went to Tony Hammond's office and delivered the NOV by hand. He stated that the broken down debris was being placed where it was until they could screen it.
5. He said that they were working on getting the dumpster ready for the street sweepings.
6. I suggested that he call Bertie and see if they would be interested in the broken down material to use as cover.
7. I also suggested again, that another site be found, possibly at the neighboring farmer's land, as the cleanup of the existing site would be made easier and quicker.

Please contact me if you have any questions or concerns regarding this inspection report.
