**ADDITIONAL COMMENTS:**

1. The yard waste must be kept at least 50 feet off of any property line.
2. As discussed with Gene Byrd and Steve Wheeler, it is strongly recommended that no more yard waste is accepted at this site. This site must be kept notified by June 1<sup>st</sup> of each year, until the site is all cleaned up.
3. I would recommend checking with farmers to see if they could use the soil like product, to disc into their fields as a soil amendment.
4. No pictures were taken.
