Attn: Mr. Ronald Weatherman
Re: Iredell County Transfer Station
Mooresville, North Carolina

Dear Mr. Weatherman:

This letter is to confirm that the Mooresville Town Board approved the County's request for a Special Use Permit to construct and operate a solid waste transfer station just southeast of their existing station on property owned by the County. That permit was approved at the Board's August 7, 1995 regular meeting. The approval included the provision of providing water supply to and accepting the sewer flow from the transfer station. The washwater flow from this station was included as part of the wastewater flow to be accepted by the Town of Mooresville.

I trust this satisfies the State's requirement. Please call me at 704/662-8472 if you have questions.

Sincerely,

H. Carson Fisher, PE
Town Engineer

Re: Iredell County Transfer Station
Mooresville, North Carolina

Dear Mr. Ou:

The Town of Mooresville will be supplying the Iredell County Transfer Station with water service. The Town has an adequate supply for this service.

Should you have any questions, do not hesitate to contact me at 704/662-8472.

Sincerely,

H. Carson Fisher, P.E.
Town Engineer
