Re: Authorization to Dispose Waste at Tuscarora Regional Landfill
Maysville C&D Recycling and Recovery Facility
Jones County, North Carolina
Permit No. 5202-TP-2012
Doc ID No. 22206

Dear Mr. Maides:

Your request to utilize the Tuscarora Regional Landfill, Permit Number 2509-MSWLF-1999, as a disposal option contained in the Permit to Operate application dated October 8, 2014, [DIN 21976] is hereby authorized.

This authorization is only for the disposal of waste generated from the processing operations at the above referenced facility. The service area for the Tuscarora Regional Landfill is limited to Carteret, Craven, Jones and Pamlico Counties. The disposal of any other waste generated outside the service area is not authorized.

Also, this authorization only means that your waste stream is eligible for disposal at the Tuscarora Regional Landfill. You are responsible for contacting the facility operator to confirm that your waste stream is allowed and you will be subject to all requirements of the facility.

Thank you for your efforts and cooperation in this matter. If you have questions about this authorization, please contact either me at 919-707-8252 or Ray Williams, Environmental Senior Specialist for the facility, at 252-948-3955.

Sincerely,

Geoffrey H. Little, Environmental Engineer II
Division of Waste Management, NC-DENR
