Re: Permit to Operate Modification
Sanford Transfer Station
Lee County, Permit No. 5305-TRANSFER-2013, Document ID No. 22780

Dear Mr. Pflieger:

Please find the enclosed Permit to Operate for the Sanford Transfer Station, Permit No.5305, which reflects the requested operation plan modification to receive and transfer recovered materials.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. Inspection and compliance questions can be directed to Dennis Shackelford, Eastern District Supervisor. He can be reached at (910) 433-3349 or (919) 208-0795.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
