Re: Permit to Construct and Permit to Operate
C&D Landfill, Inc.
Pitt County, Permit No. 7407-CDLF-2001 and -2009, Document ID No. 24086

Dear Mr. Bell:

Please find the enclosed permit to construct and permit to operate for the C&D Landfill, Inc.. The permit to operate approves the operation of Phase 1 under Permit No. 7407-CDLF-2001 and of Phases 2A and 2B (cells 6 and 7) under Permit No. 7407-CDLF-2009. The permit to construct approves the construction of the remainder of Phase 2B under Permit No. 7407-CDLF-2009. An approved copy of the construction quality assurance report for Phase 2B (cells 6 and 7) (DIN 23978) is also included.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Ben Barnes. He can be reached at (252) 236-4453 or (919) 621-3680.
