Re: Permit to Construct and Permit to Operate
C&D Landfill, Inc.
Pitt County, Permit No. 7407-CDLF-2001 and -2009, Document ID No. 21815

Dear Mr. Bell:

Please find the enclosed permit to construct and permit to operate for the C&D Landfill, Inc.. The permit to construct approves the construction of Phase 2B under Permit No. 7407-CDLF-2009. The permit to operate approves the continued operation of Phase 1 under Permit No. 7407-CDLF-2001 and Phase 2A under Permit No. 7407-CDLF-2009. A copy of the approved application including operation plan will be provided to you by David Garrett in the near future.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Ben Barnes. He can be reached at (252) 236-4453 or (919) 621-3680.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
