Re: Permit to Operate
Shotwell Transfer Station II
Wake County, Permit No. 9229T-TRANSFER-2009, Document ID No. 24197

Dear Mr. King:

Please find the enclosed Permit to Operate for the Shotwell Transfer Station II, Permit No.92-29T, which approves continued operation of the facility. This is a 10-yr permit amendment to the permit. The approved operation plan is also enclosed.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
