Re: Permit to Operate
Currin Brothers Landfill
Wake County, Permit No. 92N-LCID-1986, Document ID No. 21522

Dear Mr. Currin:

Please find the enclosed Permit to Operate for the Currin Brothers Landfill, Permit No.92N, which approves continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Shawn McKee. She can be reached at (919) 707-8284 or (919) 628-7343.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
