Re: Closure of medical waste processing permit 9407

Mr. Frost,

As of February 1, 2015 Waste Management Healthcare Solutions (WMHS) located at 301 St. David's Road, Creswell, NC is no longer accepting, transferring or treating medical waste. WMHS sold its customer list in the area to Curtis Bay Energy in December. The sale included all the equipment, which has been moved from the Creswell building but not the building itself. At this time we request permit #9407 to be rescinded.

Regards,

Steve Merritt
