Re: Permit to Operate Modification  
Goldsboro Transfer Station  
Wayne County, Permit No. 9607T-TRANSFER-1997, Document ID No. 24690

Dear Mr. McKithan:

Please find the enclosed permit to operate for the Goldsboro Transfer Station, Permit No.96-07T, which approves the requested modification to receive and transfer recyclables from Wayne County and the City of Kinston (Lenoir County).

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov). The Environmental Senior Specialist for the facility is Wes Hare. He can be reached at (910) 796-7405 or (919) 280-5135.

Sincerely,
